Saints Alive! - June 2017

The Rev. Virginia "Gini" DiStanislao, Priest in Charge

*For every house is built by someone, but the builder of all things is God.
Hebrews 3:4*

Our 100th Anniversary Celebration on May 21st was absolutely perfect! I loved processing in and seeing the smiling faces of those whom we see regularly and those we have not seen in years. I was thrilled for all those who could be there and sad for those who missed it.

I spoke with Fr. Phillips, who by the way travelled the furthest to be with us, and we reflected on what a wonderful occasion and celebration we had. He said that he felt that our church was exactly what Christ intended. Great cathedrals can be built, but we feel that what Christ intended was for family and friends to gather together in worship and then join together in fellowship for the building of the Kingdom. The Holy Spirit was present and felt by us on May 21st.

We celebrated the building where we gather each week, but the church as Bishop Hollerith notably cited is the people. We are the church, the body of Christ, charged to do the work that needs to be done. We began our celebration with the anniversary of the placing of the corner stone. Let's see how much we can build going forward in bringing others to know the love and presence of Christ.

Blessings, *Gini+*
