Saints Alive! – January 2018

It's hard to believe that 2017 is behind us and 2018 is already here. In 2017 it was so exciting to celebrate our 100th anniversary all year long by accomplishing all the related projects we envisioned. We were sad to lose our delightful talented Priest-in-Charge, Gini, and her family, but we are thrilled that she is doing well in her new position. This new year, 2018, is full of promise and challenges, too, all of which we are excited to meet: finding a new priest, electing new Vestry members, celebrating great holidays, raising funds and fun raising! So you see, this year it is really important to show our team spirit and support for parish activities and projects. If you are looking for a place to pencil in your name, please check out the list posted on the Parish Hall wall with opportunities and ways to make this year especially memorable!

Addressing our main goal for 2018, our Search Committee is making progress in the quest for a new priest. The committee has met twice and is scheduled to meet a third time this week. They are in the process of following the guidelines managed by Cindy Barnes, our consultant. Their first task is to correctly characterize the profile of our parish. That's where we all play a role. In the coming weeks you will be receiving a questionnaire requesting your PROMPT input in order to generate an accurate profile of our parish. Your input will be very important in getting a true picture of our existing parish, so please don't hesitate to participate. In the meantime, the Search Committee will continue in its role to meet the necessary guidelines in securing just the right priest for us.

On January 14th we will elect two new members to fill the vacancies on the Vestry. We are so fortunate to have four very qualified persons who are willing to serve. With these four candidates we are in a win-win situation. No matter which two are selected, our church is the winner. That day is also our Annual Meeting and "bruncheon". Vicky will be in touch concerning edibles. Not only will there be good food but a chance to hear from our various committee leaders with a 2017 review of the growth and activities along with any 2018 upcoming possible changes to St. Paul and St. Andrew. Please mark your calendars! Immediately following the Annual Meeting, the vestry will meet for its monthly Vestry meeting to address pending business and to elect Vestry officers for 2018.

With great expectations, let's look forward to an interesting, challenging, and peaceful new year.

Meanwhile in the words of Tiny Tim, "God bless us every one!"

Sallie Ann
